2021 NFF Hampshire Honor Society Membership

An elite group of 910 players from 255 colleges and universities honored as the Society celebrates its 15th year.

IRVING, Texas (April 14, 2021) - The National Football Foundation & College Hall of Fame (NFF) announced today the members of the 2021 NFF Hampshire Honor Society, which is comprised of college football players from all divisions of play who each maintained a cumulative 3.2 GPA or better throughout their college careers. An elite group of 910 players from 255 schools qualified for membership in the Society's 15th year.

Nominated by their respective schools, members of the NFF Hampshire Honor Society must have:

- Completed their final year of playing eligibility in Fall 2020 or Spring 2021;
 - Graduated players, who have remaining eligibility but will not return to collegiate play (e.g. declared for NFL Draft or retired from football), may also be nominated.
- Attained a minimum undergraduate cumulative GPA of 3.2 (4.0 scale);
- Met all NCAA/NAIA-mandated progress towards degree requirements; and
- Been starters or significant contributors throughout the 2020-21 season.
